PA users querying other state's PDMP system

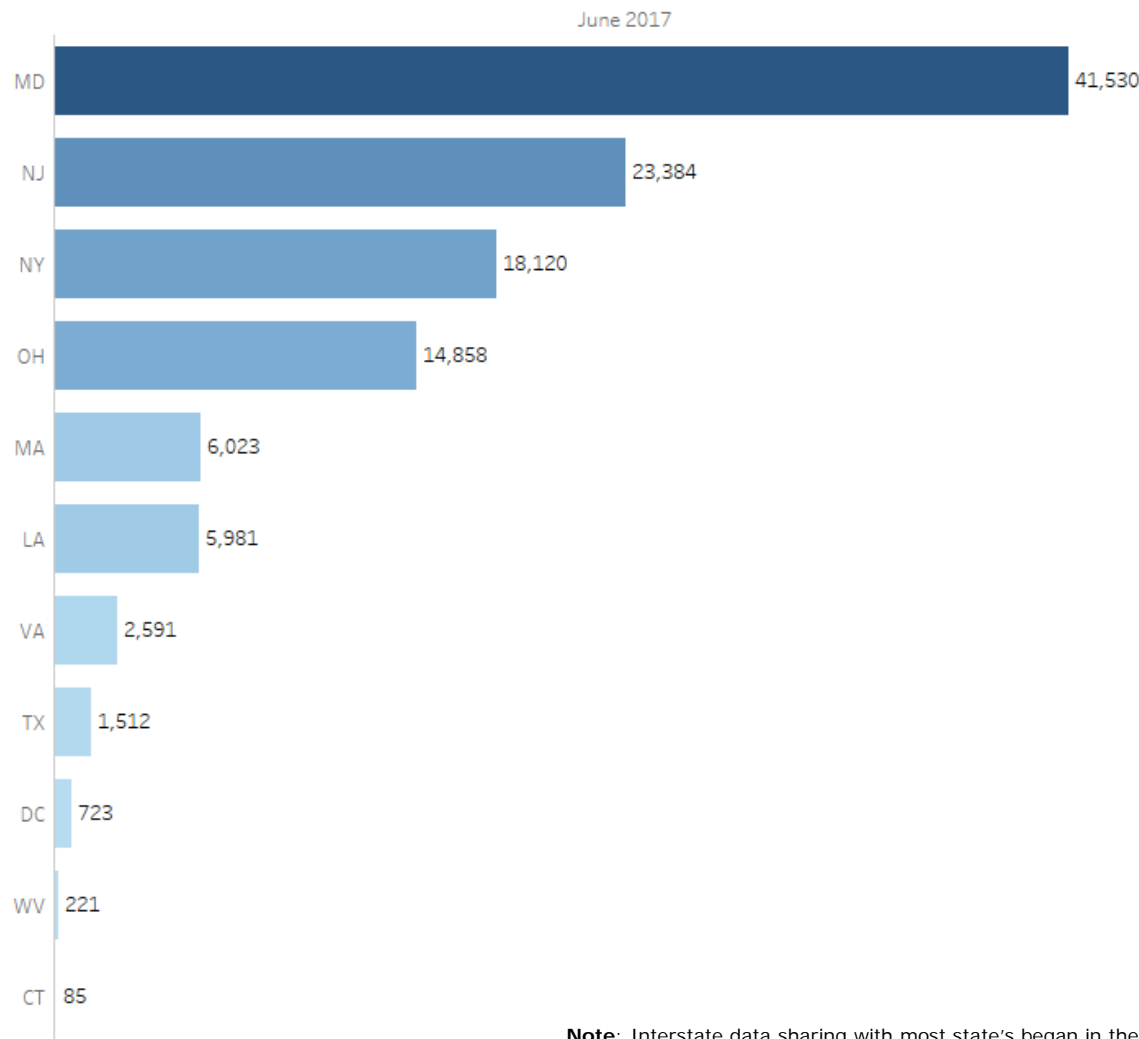

June 1, 2017 – June 30, 2017

PDMP Inter-State Data Sharing

Other state PDMP users querying PA PDMP system

June 1, 2017 – June 30, 2017

EHR and Pharmacy System Integration

Progress

- Contract with Appriss underway.
- Integration Request Form is completed.
- Communication about the integration initiative will be sent out once the Purchase Order is approved.
- Proactively began discussions with major health systems about the integration process.

PDMP Office Data Sharing

Progress

- Project slowed by loss of statistician; currently re-hiring
- Next steps:
 - Convene internal subject matter experts (SME) work group
 - Convene the ABC-MAP sub-committee meeting
- Present draft plan for data sharing to the ABC-MAP board for approval

PDMP Education Work Group

Progress

- Draft education materials have been shared by the University of Pittsburgh. The work group is reviewing the materials.
- Topics include:
 - How to effectively build the PDMP into clinical workflows;
 - How to effectively use the PDMP data to make informed clinical decisions and refer patients to treatment;
 - How to safely taper high doses of opioids to recommended levels; and
 - How to create a culture of change and promote the above strategies in their respective clinical settings.

PDMP Education Work Group

Planned Activities

- Final education products will be completed by Sept. 30, 2017
- University of Pittsburgh and QI (Quality Insights) will begin to reach out to health care entities
- Announcement letters (see sample) will be sent out in August 2017
- QI to begin delivering the education (tentatively) in October 2017
- Public Health Management Corporation (PHMC) will evaluate the activities
- Currently evaluating CE/CME options

➤ Opioid Surveillance Grant Activities

Progress

- Began collecting
 - Hospital ED data of all overdoses
 - EMS data of all overdoses
 - Death data (7/2016 to 12/2016)
- Collaborating with PA MEs/Coroners to collect OD death data
- Supports the activities of 21st Century CURES grant

Planned Activities

- PDMP Annual Report
- Data Dashboard on PDMP website
